

WEB DEVELOPMENT SERVICES AGREEMENT

Date: February 20th, 2026

Project Name: Sindhi Namkeen & Dry Fruits E-Commerce Platform

1. PARTIES

Provider: White Wall Design

Client: Sindhi Namkeen & Dry Fruits

2. PROJECT SCOPE

The Service Provider agrees to design and develop a web-based e-commerce platform with the following core features as agreed upon:

2.1. Product Catalog

- Listing of approximately **400 Store Products**.

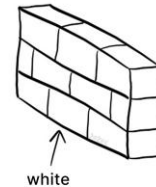

- - Dynamic filtering and categorization (Sweet, Namkeen, Dry Fruits, etc. [as shared by the client]).
- - Search and "Load More" pagination functionality.

2.2. User Features

- - Responsive Design (Mobile/Desktop).
- - Shopping Cart functionality.
- - Checkout process includes Cash on Delivery (COD) and Online Payments via Axis Bank Payment Gateway integration.

2.3. Admin Dashboard

- - Secure Login for Super Admin.
- - Inventory Management (Add/Edit/Delete Products).
- - Order Management View (Order Status tracking).

2.4. Festive & Promotional Features

- **Festive Mode Toggle:** The Admin Dashboard shall include a 'Festive Mode' toggle. Activation will apply a pre-defined festive theme (colors, background patterns) to the customer-facing website to reflect occasions (e.g., Diwali, Holi).
 - **Offers Management:** A dedicated section for the Admin to create and manage promotional offers. This includes percentage-based discounts, flat-rate discounts, category-specific offers, and product-specific offers.
 - **Festive Labels:** Admin can tag/untag products with 'Festive Special', 'Gifting', or 'Best Seller' labels which will be highlighted on the product cards.
 - **Promotional Banners:** Admin can upload and schedule promotional banners for the home page.
-

3. DELIVERY & LOGISTICS MODEL

The website will include specific logic to handle the Client's delivery operations:

3.1. Standard Delivery Options

The system will support the following time-slot based delivery options:

- - 3 Hours Delivery
- - 6 Hours Delivery
- - 9 Hours Delivery

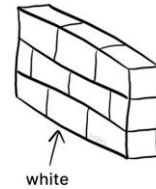

3.2. Relaxed Delivery (Next Day)

- - Orders placed before 3:00 PM: Eligible for same-day delivery logic (subject to slot availability).
- - Orders placed after 3:00 PM: Delivered the following day (Turnaround Time: Within 1 Day).

3.3. Express Delivery

- - Timeline: Delivery within 1 Hour.
 - Surcharge: An additional fee applies based on the delivery location (geolocation/distance calculation or zone-based logic as defined in technical specs).
-

4. PAYMENT GATEWAY TERMS AND LIABILITY:

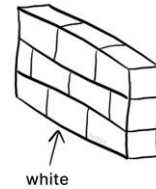

- **Axis Bank Integration:**
 - The Service Provider shall integrate the Axis Bank Payment Gateway for the processing of online transactions.
 - **Gateway Removal and Modification:**
 - In the event that the Client requests the removal or decoupling of the payment gateway from the platform at any future date, a specialized engineering and reconfiguration fee of INR 3,500 to INR 4,000 shall be payable by the Client.
 - Such removal process necessitates a scheduled platform suspension of 7 to 10 business days to ensure structural integrity and security compliance.
 - **Limitation of Liability:**
 - The Service Provider's responsibility is limited to the technical integration of the payment gateway.
 - The Service Provider shall not be held liable for any disputes, delays, processing errors, settlement failures, or transaction issues arising within the banking infrastructure.
 - Any and all matters related to payment clearances and fund settlements are the exclusive responsibility of Axis Bank.
-

5. FINANCIALS

Item	Cost/Details
Development Fee	INR 25,000/-
Maintenance Costs	\$20-25 per month (Render/Supabase/AWS as needed)
Payment Terms	As per agreed milestones

6. TIMELINE

- - Total Timeline: 30 Days (Development & Production, **date starts post we receive the axis bank API documentation**)
- - Contingency: 20 Days
- - The project timeline is subject to the timely provision of assets, documents, and relevant material by the Client.

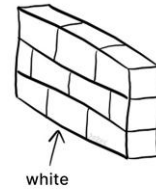

7. TERMS AND CONDITIONS

1. Payment: 50% (INR 12,500/-) deposit required upon complete frontend work. Remaining balance due upon completion/handover.
2. Support platforms: Once the project reaches the hosting/production stage, the support amount for Render, and Supabase, as mentioned before will need to be paid by the client. The service provider will be responsible to update the client 3-4 days prior regarding the requirement for the said amount, for which the invoices shall also be shared with the client.
3. Intellectual Property: Upon full payment, the Client gets full ownership of the formulated code and designs.
4. Warranty: A 30-day support period is provided post-launch for bug fixes related to the scope of work.

8. AGENCY RIGHTS & PROMOTION

1. Intellectual Property (Reiteration): As stated in Section 7 (point 3), all intellectual property rights belong to the Client upon full payment and completion.
 2. Portfolio & Social Media: White Wall Design retains the right to publish non-confidential details (e.g., designs, case studies, screenshots) on their Instagram page and other portfolio platforms for marketing, and promotional purposes.
 3. Collaboration: The Parties agree to explore opportunities for collaboration regarding the marketing and promotion of White Wall Design across social platforms where feasible.
